No other stallion owner promotes their stallions and their offspring like Silver Spurs

Rebreed Policy – Never before in the history of breeding has such a famous collection of stallions been under the control of a single owner. This gives you the breeder tremendous flexibility. Not only can you do all of your breeding with one stallion owner, in addition, we understand that from year to year tastes, mares, and preferences may change. Therefore, if you are entitled to a rebreed, you can rebreed to the Silver Spurs stallion of your choice!!! (Please contact us before deciding to switch stallions because certain stallion switching costs may apply.)

When deciding which stallion to breed your mares to you have many choices. We want to earn your business and we are confident that when you compare the quality of our stallions, our constant promotion of our stallions and their offspring, our reasonable breeding fees, Incentive Awards, and Junior Stallion, you will find that the total value of a breeding to Silver Spurs stallions is far greater than that of any other competing stallion and that breeding with Silver Spurs is the obvious choice.

Sound like fun...you bet it is!!

*We hope to have the opportunity to WELCOME you to the Silver Spurs Family of Breeders and thank you again for your confidence in our stallions,
Michelle & Michael Miola*

OUR MISSION AS A BREEDER...

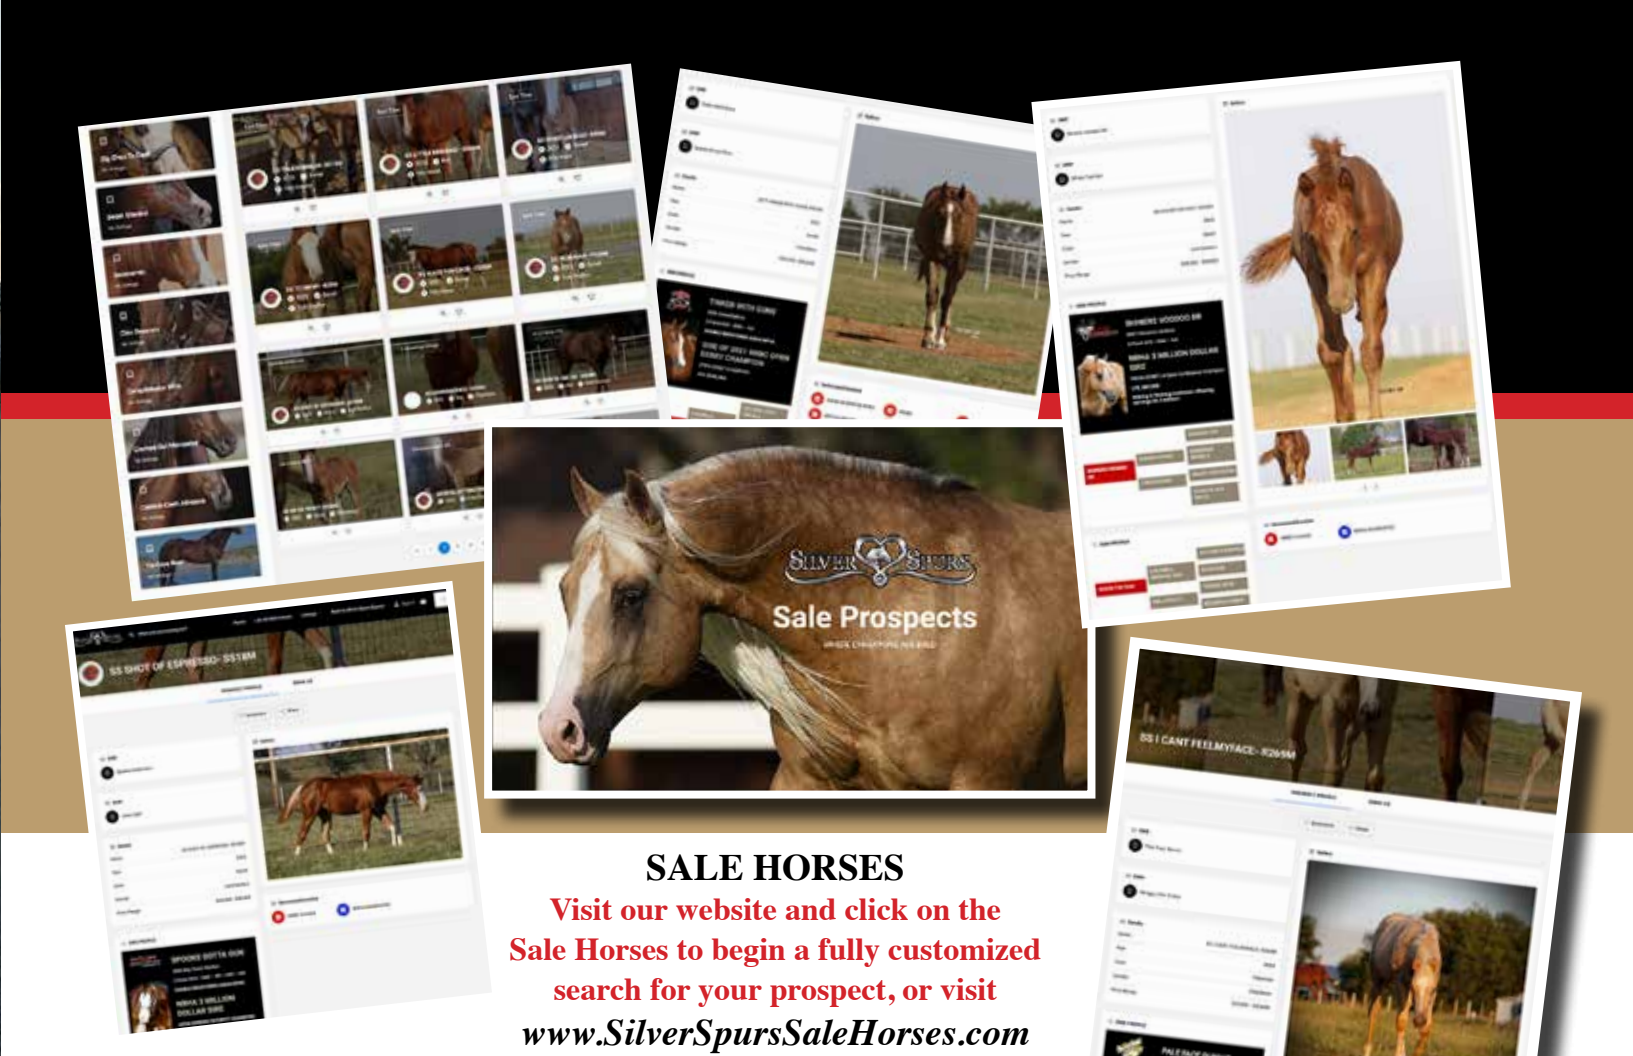

is to create reining horses for all classes of reiners. We breed everything from champion competition horses, great minded non-pro horses, and all categories in between.

We match the attributes of our stallions with the attributes of our mares, combining their strengths. In addition, we have an extensive data base of all the horses we and our client's have bred over the years and can accurately determine the type of foal that will result from a breeding.

THE FINEST PROSPECTS IN THE INDUSTRY

In addition to our World Class stallions we have acquired mares of the finest pedigree; mares that were champions themselves in competition and have produced several champion offspring. We have hand-picked these special mares specifically to breed to our famous stallions. Scottsdale is home to the majority of our breeding stallions as well as some of our top broodmares.

2007 Scottsdale Classic Open Futurity - 3rd place

Haboomamatada ("Matada") is the perfect crossover breeding for reining or working cow/cutting. An incredibly talented horse out of a daughter of Smart Little Lena, this stallion who is the spitting image of his Hall of Fame sire - Boomernic has everything it takes to breed a champion in whatever discipline you desire depending on the mare you breed him to. During his first two outings he came in 3rd and the Scottsdale Classic Open Futurity and was a finalist at the HRRC Derby. While his total NRHA earnings are over \$1,560, Matada himself is truly bred for cutting so we stopped showing him as a four year old. If you are looking to breed to an incredible stallion for multi disciplines and get the best of Boomernic without paying Boomernic prices - Haboomamatada is the stallion for you.

MY CUSTOMIZED WHIZ (Wally) was born with a crooked front foot (from a bad position in the womb). After a couple of surgeries, and a lot of TLC we got that foot all straightened out. To make sure he stayed sound we never put him in training to compete, but he has been one of my favorite trail horses.
Because he is so great minded, athletic and a beautiful Liver Chestnut, I have decided to share him with my breeders as a Junior Stallion.
If you Purchase a breeding to one of my senior stallions you can get a breeding to Wally for FREE, just pay semen shipping. If you would just like to purchase a breeding to him I have set his breeding fee at \$250.
Wally is AQHA 5 panel negative. I will be breeding him to some of our great mares and can hardly wait to get his babies on the ground. I hope you will love him and want to breed to him like I do. - Mike
